

MINISTRY AND THEOLOGY

Be inspired to share Jesus with your world.

Avondale's courses in **ministry and theology** prepare you for work in a range of not-for-profit and church organisations, as well as government and private organisations. The ministry qualifications will equip you with the knowledge and skills you will need to build a strong church and community. Courses are offered either on-campus or via distance education, allowing you to fit your study around family, work or social commitments. With practical experience opportunities, strong industry contacts and one-on-one support, you will be work-ready after graduation.

If you already have a university degree, you can career transition into ministry by studying the Master of Ministry course.
