

# MINISTRY

## Be inspired to share Jesus with your world.

Avondale's courses in **ministry and theology** prepare you for work in a range of not-for-profit and church organisations as well as government and private organisations. The ministry qualifications are designed to equip you with knowledge and skills to build a strong church and community. Most courses are offered either on-campus or via distance education, allowing you to fit your study around work, social or family commitments. With practical experience opportunities, strong industry contacts and one-on-one support, you are provided the opportunity to be work-ready upon graduation.

Avondale's **Master of Ministry** is a graduate-entry degree designed specifically to prepare you for employment in ministry in Seventh-day Adventist churches and organisations, and other Christian denominational churches. It is for those who have a degree in another discipline and are interested in preparing for ministry.

### Accreditation

The Master of Ministry course is accredited under Avondale's self-accrediting authority, within the terms of the Australian Qualifications Framework (AQF), and is nationally registered with the Tertiary Education Quality and Standards Agency (TEQSA).
